The map displays a residential area with several streets and numerous plots of land. The streets shown are Oudestraat, Meerlenhoflaan, Broeydenborglaan, and Marneflaan. The plots are labeled with various codes and numbers, indicating their location and size. The map is color-coded, with different shades of yellow and orange used to distinguish between different areas or plots. The overall layout shows a grid-like pattern of streets and plots, typical of a residential neighborhood.
