Percelen:

This map displays a collection of land parcels within Block B40. Each parcel is labeled with its unique identifier and associated acreage. A prominent parcel, B40c21, is highlighted in grey and enclosed by a thick blue border. This parcel is situated centrally and contains several smaller, unlabelled areas. Surrounding B40c21 are numerous other parcels, some of which are also labeled with their acreage. The map shows a complex arrangement of lots, with some parcels being larger than others. The overall layout suggests a residential or commercial development area.
