

The image shows a screenshot of a web-based GIS application. The main map area displays a street grid in Brussels, with labels for 'avenue de Monte Carlo 76' and 'Avenue Zaiman'. A blue location pin is placed on the map. The interface includes a search bar at the top with the text 'avenue de Monte Carlo 76'. On the left side, there is a legend titled 'Couches' (Layers) with the following categories and items:

 - Bruxelles Economie et Emploi
 - Bruxelles Environnement
 - Bruxelles Mobilité
 - Logement.brussels

On the right side, there is a vertical toolbar with various navigation and interaction icons, including a search icon, a zoom in (+) and zoom out (-) icon, a home icon, a location pin icon, a refresh icon, and a close icon. The top right corner of the map area contains a search bar with a close (X) icon and a notification icon with a red '1'.
